Welcome to our 2024 Syllabus

This is the post closing date version of the syllabus. It contains general information and updates on each section.

There are a handful of last minute entry classes available until 21st January, Please help us by supporting these classes and telling your friends if you can. If you have enquiries about our other events, please email us on invernessmusicfestival@gmail.com for advice.

You can also use this address if you require rules or guidance for any class which is no longer visible in the syllabus.

Our motto is 'Performance for Everyone!'. This means whatever your age or stage, whether you are an individual or a group, whether you just want to have fun, whether you want to join in a competition, or receive detailed specialist feedback, you will be very welcome. We can always help you find an event suitable for your needs.

We are known as Inverness Music Festival, but don't forget we also have events for Speech, Debating, Composition, and even Art.

Our venue is Inverness Methodist Church. Participants should note there is no parking at the church and should plan their day carefully if not using public transport.

During and post pandemic we held many classes online. We are glad to say that nearly every class is now live again. There are some exceptions (eg large orchestras), but otherwise we hope to see everyone in person in 2024. However, for every class, if you would like to enter online, you will be able to submit a video. You won't be able to compete, but the video will be played on the day and you will receive a mark and feedback.

Don't forget, if performing isn't for you, we always need volunteers and kind' supportive audiences.

Why support Inverness music festival?

- To have fun and meet interesting people- join us for a little while, watch a few events, become part of our community,
- To have something to practice for and work towards- as a group or as a solo
- To challenge yourself
- To gain confidence
- To have a platform- the stage is yours!
- To experience a friendly competition.
- To gain feedback

If you have questions - get in touch! invernessmusicfestival@gmail.com

Online Entries

Any video entries should be submitted online via 'Play and Perform'. Please see our website and Facebook pages for advice about the best way to record and present your videos.

Fully online classes will be adjudicated remotely, and you will be sent a link to view your class. If you have given permission, highlights will be available to view on our Facebook page or on YouTube during the festival period.

Please note that by entering an online class, we expect the class participants to view each other's videos to create an inclusive and supportive environment for all entrants.

Video performances can be recorded on any phone with a camera, and do not require highly specialised equipment. However, if you have difficulties accessing a suitable device, please contact us on invernessmusicfestival@gmail.com, and we will try to help.

Live Performances

Live participants need only bring their scores on the day plus an EXTRA photocopy for the adjudicator. You are asked to specify your choice of music for some classes, but you can change your mind.

Live performers may book the festival piano accompanist if they wish for many of our classes, although in most cases traditional music is performed without piano accompaniment. Requests for the official accompanist need to be reconfirmed by email. Please be mindful of our funding situation and do not book the accompanist unless you genuinely intend to use them. If you book the official accompanist you will need to supply them with a copy of the music and you will not be able to change your mind about the choice of piece.

Watch out for our Festival concert on Saturday 23rd March! More details soon.

And Finally...

We are grateful to the Inverness Common Good Fund and the Highland Council Ward Discretionary Fund for supporting this event.

Please spare a thought for the festival team. The festival depends on support from generous benefactors and supporters. We also need volunteers - in particular anyone with IT and Social Media experience, to help us out in January and February.

We very much hope you will enjoy browsing the syllabus, and please get in touch if you have any questions.
